

#AGMAendures

Dear AGMA Member:

With each passing minute, more of our companies close indefinitely in order to combat COVID-19, and AGMA members find themselves out of work -- possibly without pay and health coverage. Shutting productions will undoubtedly help our nation combat the virus, **but AGMA will never lose sight of the massive financial and emotional toll this is taking on our artists and artists all across the country.**

**AGMA is launching the
#AGMAendures Campaign
and would like to hear how COVID-19 has impacted your lives.**

It would be difficult to find an AGMA member who has not been affected by the coronavirus crisis. Tell us your stories. **Make it personal.** You have the truth on your side and have trained all your lives to tell stories. Submissions will be published across social media and on AGMA's website.

To Participate:

- Email a one-page testimony with photos, OR a 30-45 second video to submissions@musicalartists.org
- Be sure to include your name, working category, and company
- If you would like us to tag you on social media, please provide all of your social media handles

Thank you for being a part of this campaign, one that will help to amplify our collective voice, help fellow artists feel less alone, demand action from our leaders, and hopefully provide artists across the country with financial relief during this time of crisis.
